

BUKAN SCHOOL of KRAV- MAGA

Be na instructor of Bukan - Additional Information

Why to become a Krav-Maga instructor? Why in Bukan?

Krav-Maga is the Israeli martial art for self-defense. It is the ONLY ONE of its kind in the world. The practice of Krav-Maga has grown tremendously over the last two decades, with millions of new practitioners looking to know its secrets. And it continues to expand every day, with more and more people looking for a unique martial art capable of giving them the tools to defend themselves against the violence in the street.

Bukan School of Krav-Maga was founded in 1977, by the creator of the Krav-Maga, Imi Lichtenfeld, and by his most graduated disciple, Yaron.

Today Bukan is present in 14 countries worldwide (Israel, Brazil, Paraguay, Colombia, Mexico, Canada, Germany, Austria, Denmark, Portugal, Spain, Romania, Japan....). In Germany Bukan started to operate in 2018, in the city of Dresden, and is now expanding to new places and cities across the country.

Bukan is today the best and biggest School of Krav-Maga in the world. Besides this, we are the ONLY ONES that teach the original Krav-Maga as it was created in Israel, without cutting or changing anything.

During the instructor course we teach everything one needs to know in order to start and give Krav-Maga lessons. The participant can, if he wishes so, to start and work as a Krav-Maga instructor as soon as the course ends.

Each year we conduct tens of special trainings in all the countries where we have instructors and dojos. The instructor can participate in these trainings, improving his techniques, learning new ones and by this and with time he can advance also in his belt.

Besides this, we support our instructors in several ways, such as:

- Complete books with all the material of the Krav-Maga.
- Online videos which have the purpose of assisting the instructor in his lessons.
- Help with propaganda and marketing.
- Full and complete access to Sensei Rotem at all times, in order to answer any questions he might have.

With any additional question you might have, please don't hesitate to contact us at all times
